

*Our enterprise is a reliable and ambitious company with great potential, allowing us to solve the most difficult tasks that our Customers put before us and the time dictates.*

*Our own business ethics enables us to develop dynamically and achieve success in a tough competition. This ethics ensures the trust in us of business partners, employees and customers.*

*We are open to cooperation with those who value a systematic approach to business, quality in everything, professionalism, reliability and decency. We are confident that by following these principles, together we can become better today than yesterday, and tomorrow - better than today.*

*The formation of a high corporate culture, an elaborate personnel policy aimed at using the creative, productive potential of the individual, helped us create a team capable of realizing the most ambitious, most difficult tasks.*

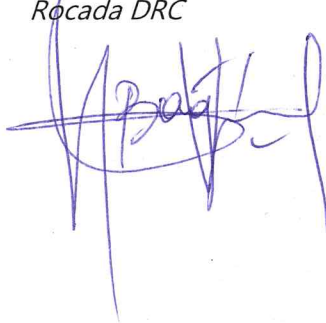

*We value and respect each client, every supplier, contractor, those who provide scientific, technological solutions, help in the implementation of large-scale projects.*

*We are open for cooperation and ready to implement joint projects.*

*BAGUMA MUGALE DANIEL*

*General Director*

*Rocada DRC*

A handwritten signature in blue ink, appearing to be 'Daniel Baguma Mugale', written over the printed name and title.
